**For Immediate Release**

**Ley Choon clinches approximately S\$51 million worth of  
new contracts for underground utility  
infrastructure and construction works**

- *The Group has won five new contracts that have a combined worth of S\$51.4 million*
- *Latest contract wins strengthens the order book to date to S\$172.3 million*

**Singapore, 19 June 2017** – Catalyst-listed Ley Choon Group Holdings Limited (“Ley Choon” or the “Company”, and together with its subsidiaries, the “Group”) is pleased to announce that the Group has bagged five new contracts worth a total of S\$51.4 million from various parties for the execution of underground utility infrastructure and construction works.

Of the new contracts secured, the major project is related to the installation and maintenance of underground utility services. The award of the contracts reflects the Group’s proven capabilities in undertaking underground utilities infrastructure construction projects.

The new contracts will boost the Group’s order book to S\$172.3 million.

Mr Toh Choo Huat, Executive Chairman and Chief Executive Officer of Ley Choon, said **“We are pleased to have been awarded these latest contracts. On the back of our return to profitability the past financial year, our near-term focus on deepening our core competencies and capabilities will put us in a strong position to continue securing new contracts, especially with the momentum in public sector infrastructure and construction projects.”**

**“Our key long term objective is to not just to build a strong order book but establish sustainable and balanced growth as we continue to improve and enhance our financial position.”**

In May 2017, Ley Choon received subscription of 150.92% of total Rights Shares available for its renounceable non-underwritten one-for-one Rights Issue which raised net proceeds of S\$8.6 million.

### **About Ley Choon Group Holdings Limited**

Ley Choon Group Holdings Limited (“Ley Choon” or the “Group”) is an established one-stop underground utilities infrastructure construction and road works service provider. Since our inception as Ley Choon Constructions and Engineering Pte Ltd in 1990, we have grown our spectrum of services to encompass:

- Underground utilities infrastructure construction and maintenance services, which include water pipes, NEWater pipes, high-pressure gas pipes, high-voltage power cables, fibre optic cables and sewer pipeline rehabilitation;
- Road and airfield pavement construction and maintenance services, which include supply and laying of graded stone, cement treated base, milling and laying of asphalt premix;
- Construction materials supply services, which include production of asphalt premix and recycled aggregates from construction and demolition waste, production of ready mix concrete and cement bricks.

Our customers include the Singapore government agencies such as Public Utilities Board, Land Transport Authority, SP PowerAssets Ltd, Housing and Development Board, Urban Redevelopment Authority, Building and Construction Authority (“BCA”), Jurong Town Corporation, as well as the reputable companies such as Changi Airport Group and PowerGas.

As a L6-registered contractor (the highest grade) with the BCA, Ley Choon is able to tender for Singapore’s public sector contracts of unlimited value in the categories of cable/pipe-laying and road reinstatement, pipes and other basic construction materials. The Group is also an A1-registered contractor in the category of civil engineering (CW02).

The Group has expanded overseas. The Group has set up a plant in China, engaging in construction waste recycling and the development, production and sale of eco-green construction materials. It has also undertaken a sewer pipe rehabilitation project in Sri Lanka.
